Project:V8 is ready to conquer! The two third of the brand new Hungarian formation - Volko and Prohypnol appear with two serious cutthroats. 'Full Circle' has got everything what V8 stands for. After landlady's squalling enter howling hardcore techno bass combined with metallic kicks makes place bodeful melodic opening pads. That must be spellbinding just like the amen part of the composition. The beginning of 'Grenadine' with its aggressive hardcore-like kicks and distorted ribbons of voices foreshadows a potential digital hell. Both of the halfstepish first period and the second one consummated a solid techstep tune are flavoured with acidic gurgle. You'd better keep Your eyes on these guys, the heavy future is theirs!
