Antichristus

Biography

Antichristus contains two dj's, producers and musicians Sylvain Colmant (Sincore) and Pierre Colmant (aka Peter Kurten). They have got rock and metal background and still play in bands (Pierre in Do or Die) as guitar player and drummer (The Reign, Code Red, Crazy About Silence One By One and Out For Blood). Pierre owns and manages Evil Beats Recordings and works for Independenza Records which is an independent Belgian label releasing industrial breakcore, techno and drum'n'bass pieces including Kirdec, Protech, Mark Tailor, Outside Agency, Throttler, etc. Since 2006 they are working with an mc called Serge (also known as MC Phallusphincter) who adds some crazy and metal voices on Antichristus tracks. In the beginning of 2009 Independenza released their debut album with lots of crazy darkstep anthems.
